

Dear Future Habitat Sponsor/Participant:

The goal of Habitat for Humanity of Ellis County is to eliminate poverty housing in Ellis County – one home and one family at a time. We are committed to building houses and building relationships to ensure a better future for our community. Using volunteer labor as well as donated funds and materials, we build simple, decent houses and sell them to low-income families at cost with no interest added.

Continuing our mission, we are hosting the **FESTIVAL OF TREES** fundraising event on **November 18th and November 19th, 2022 at First United Methodist Church, 505 W. Marvin, Waxahachie, Texas.**

This event involves people using their creative skills to decorate a tree, wreath or other Christmas items that are donated & auctioned off. But it doesn't stop with trees and wreaths -- the two-day event includes kicking off the joyous Christmas season celebrating the birth of our Savior! There will be live entertainment, food and drink, special games & activities for children, a visit & photos with Santa, and so much more! There will be a silent auction of gorgeous trees, wreaths, tabletop décor, Santa's Bag, which has everything under the sun and to top it all off. You can help by volunteering to assist with the event, becoming a sponsor, donating in-kind items (gift certificates, sugar cookies, icing, hot/cold cups with lids, festive snacks), or any item of value, that can be added to the auction, Christmas store, or Santa's Bag.

Your help is essential. We receive no financial assistance; other than the funds we raise during this once-a-year event. With caring people like you, we can continue our mission to eliminate poverty housing, one home and family at a time. Thank you for considering this donation opportunity. And if you can't donate this year, COME and rejoice in the season, bring the family and share the invitation with your neighbors and church family.

With Warm & Grateful Hearts,

Festival of Trees Committee  
Habitat for Humanity of Ellis County, Texas
