

Dear Future Habitat Sponsor/Participant:

The goal of Habitat for Humanity of Ellis County is to eliminate poverty housing – one home and one family at a time. We are committed to building houses and relationships to ensure a better future. Using volunteer labor, donated funds and materials, we build simple, decent houses and sell them to low income families at cost with no interest added. We are required to raise our own funds to build each house.

To continue our mission, we are having a **FESTIVAL OF TREES** fundraising event on **November 17 and 18, 2023 at the First United Methodist Church, 505 W. Marvin, Waxahachie, Texas.**

This event involves people using their creative skills to decorate a tree, wreath, or other Christmas item which they donate to be auctioned. For a visual of this event, please visit our Facebook page at <https://www.facebook.com/EllisCoHabitatFestivalofTrees/>
